

Rooblee

The Worlds 1st 360°
Bicycle Safety Reflector

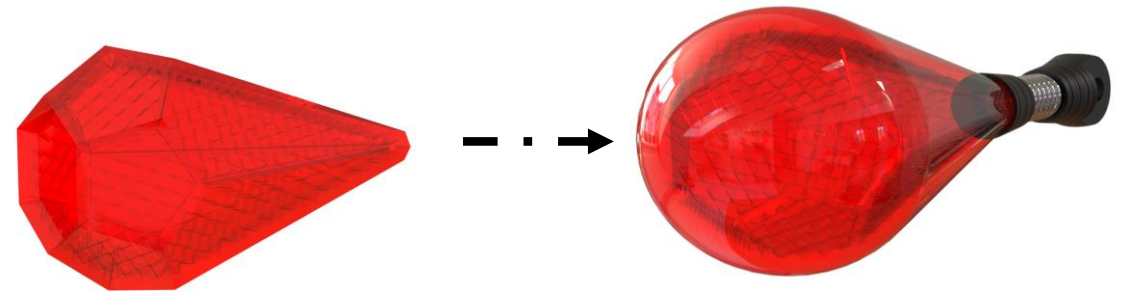

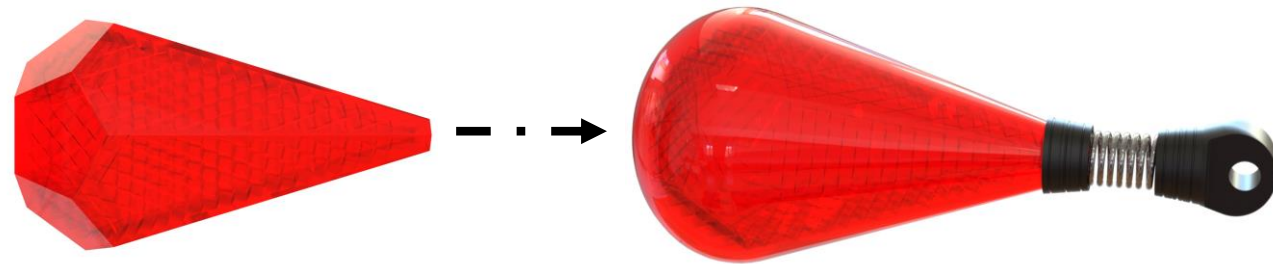

Roobleee Features

- **Outer Profile Propagates Light Onto All Indirect Surfaces**

- **Illuminates All Surfaces Simultaneously**
- **Enables Additional Daytime Radiance**

- **Magnifies Reflectivity Of Inner Profile**

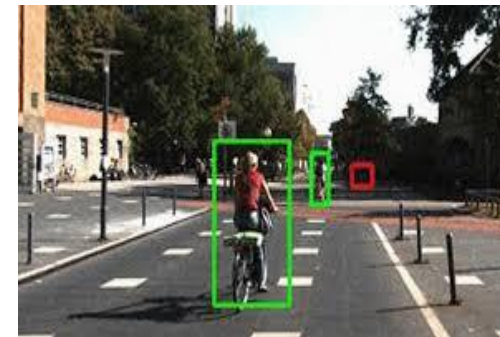

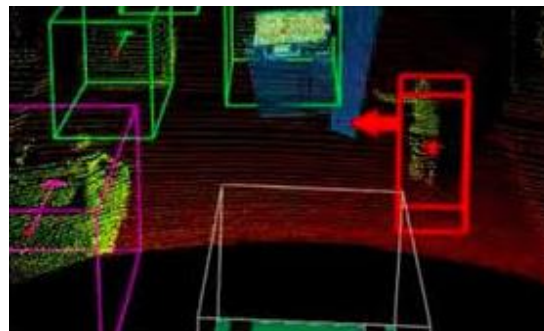

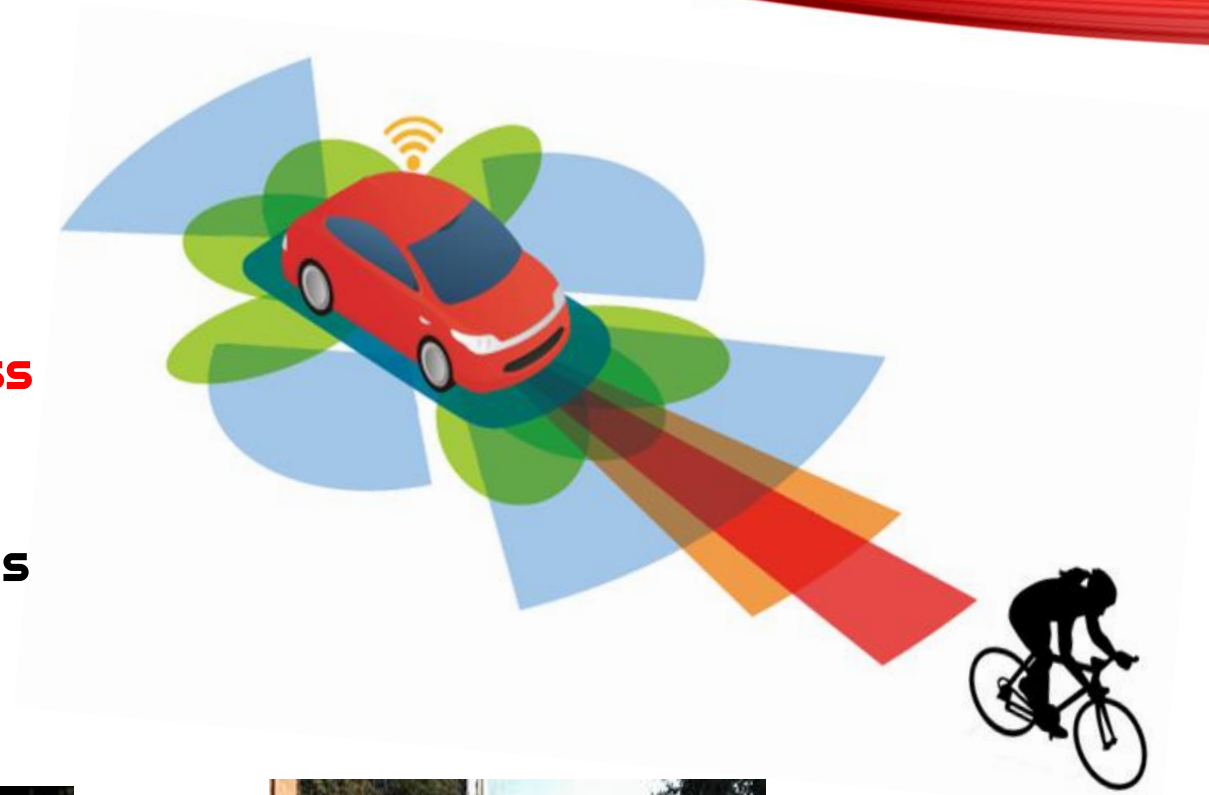

Roobleee Features

- Spring Mount Enables 360°
Oscillatory Motion Which Magnifies
The Observed Reflected Area

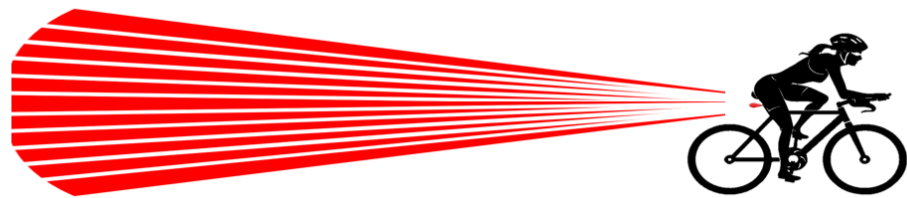

Roobleee Features

- **Oscillatory** Motion Promotes **Driver Awareness**
- Enhanced Movement Complements **Autonomous Vehicle** Motion Detection Systems

Roobleee Features

Optimized For
All
Approach
Heights

Roobleee Features

Effective For
All
Approach
Angles
