BEACHBUDDY

collections 2021-2022

BEACHBUDDY

Whether you want to lay back and relax in the sun or sit up straight and read a book, the Beachbuddy is easily transformed simply by flipping over the frame. From a comfortable sun bed in less then no time to a relax seat! Its well-rounded curves and lines ensure optimal support and comfort.

**“ Works great at the beach,
along the swimming pool
or even at the park! ”**

In flat position the Beachbuddy offers a comfortable headrest, excellent for sun bathing.

When the frame is flipped over it functions as a perfect backrest. You can comfortably sit up straight and read a book!

In that same position, the frame can also be used as a relaxing lounge support.

BACK STRAPS

Due to its low weight (1.1 Kg) and handy back straps the Beachbuddy is easy to carry. You can carry it on your back, on your shoulder or simply with 1 hand.

ELASTIC STRAP

A handy elastic strap allows you to easily and safely carry a towel or football.

ALU FRAME + SLING

The powder coated aluminium frame is covered by a PVC sling, a lightweight and ultra durable outdoor fabric that offers great comfort and ergonomics!

BAG

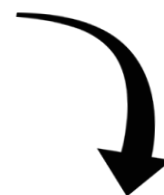

Suntan lotion, keys, sunglasses, magazines or any other accessory that you take to the beach or park can safely be stored in a customized bag with zipper that is wrapped around the frame.

MATTRESS

The padded mattress has a foam core that offers excellent comfort. The bottom of the mattress is covered with anti slip dots for extra durability.

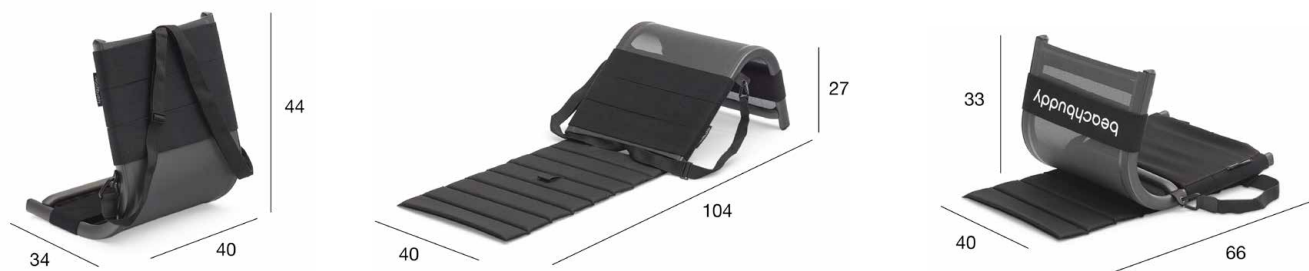

A strong nylon loop allows you to easily pull out the mattress from the frame. Simply put 2 fingers in the loop and pull out the mattress!
