Technical specifications

1W	
6 lumens	360°

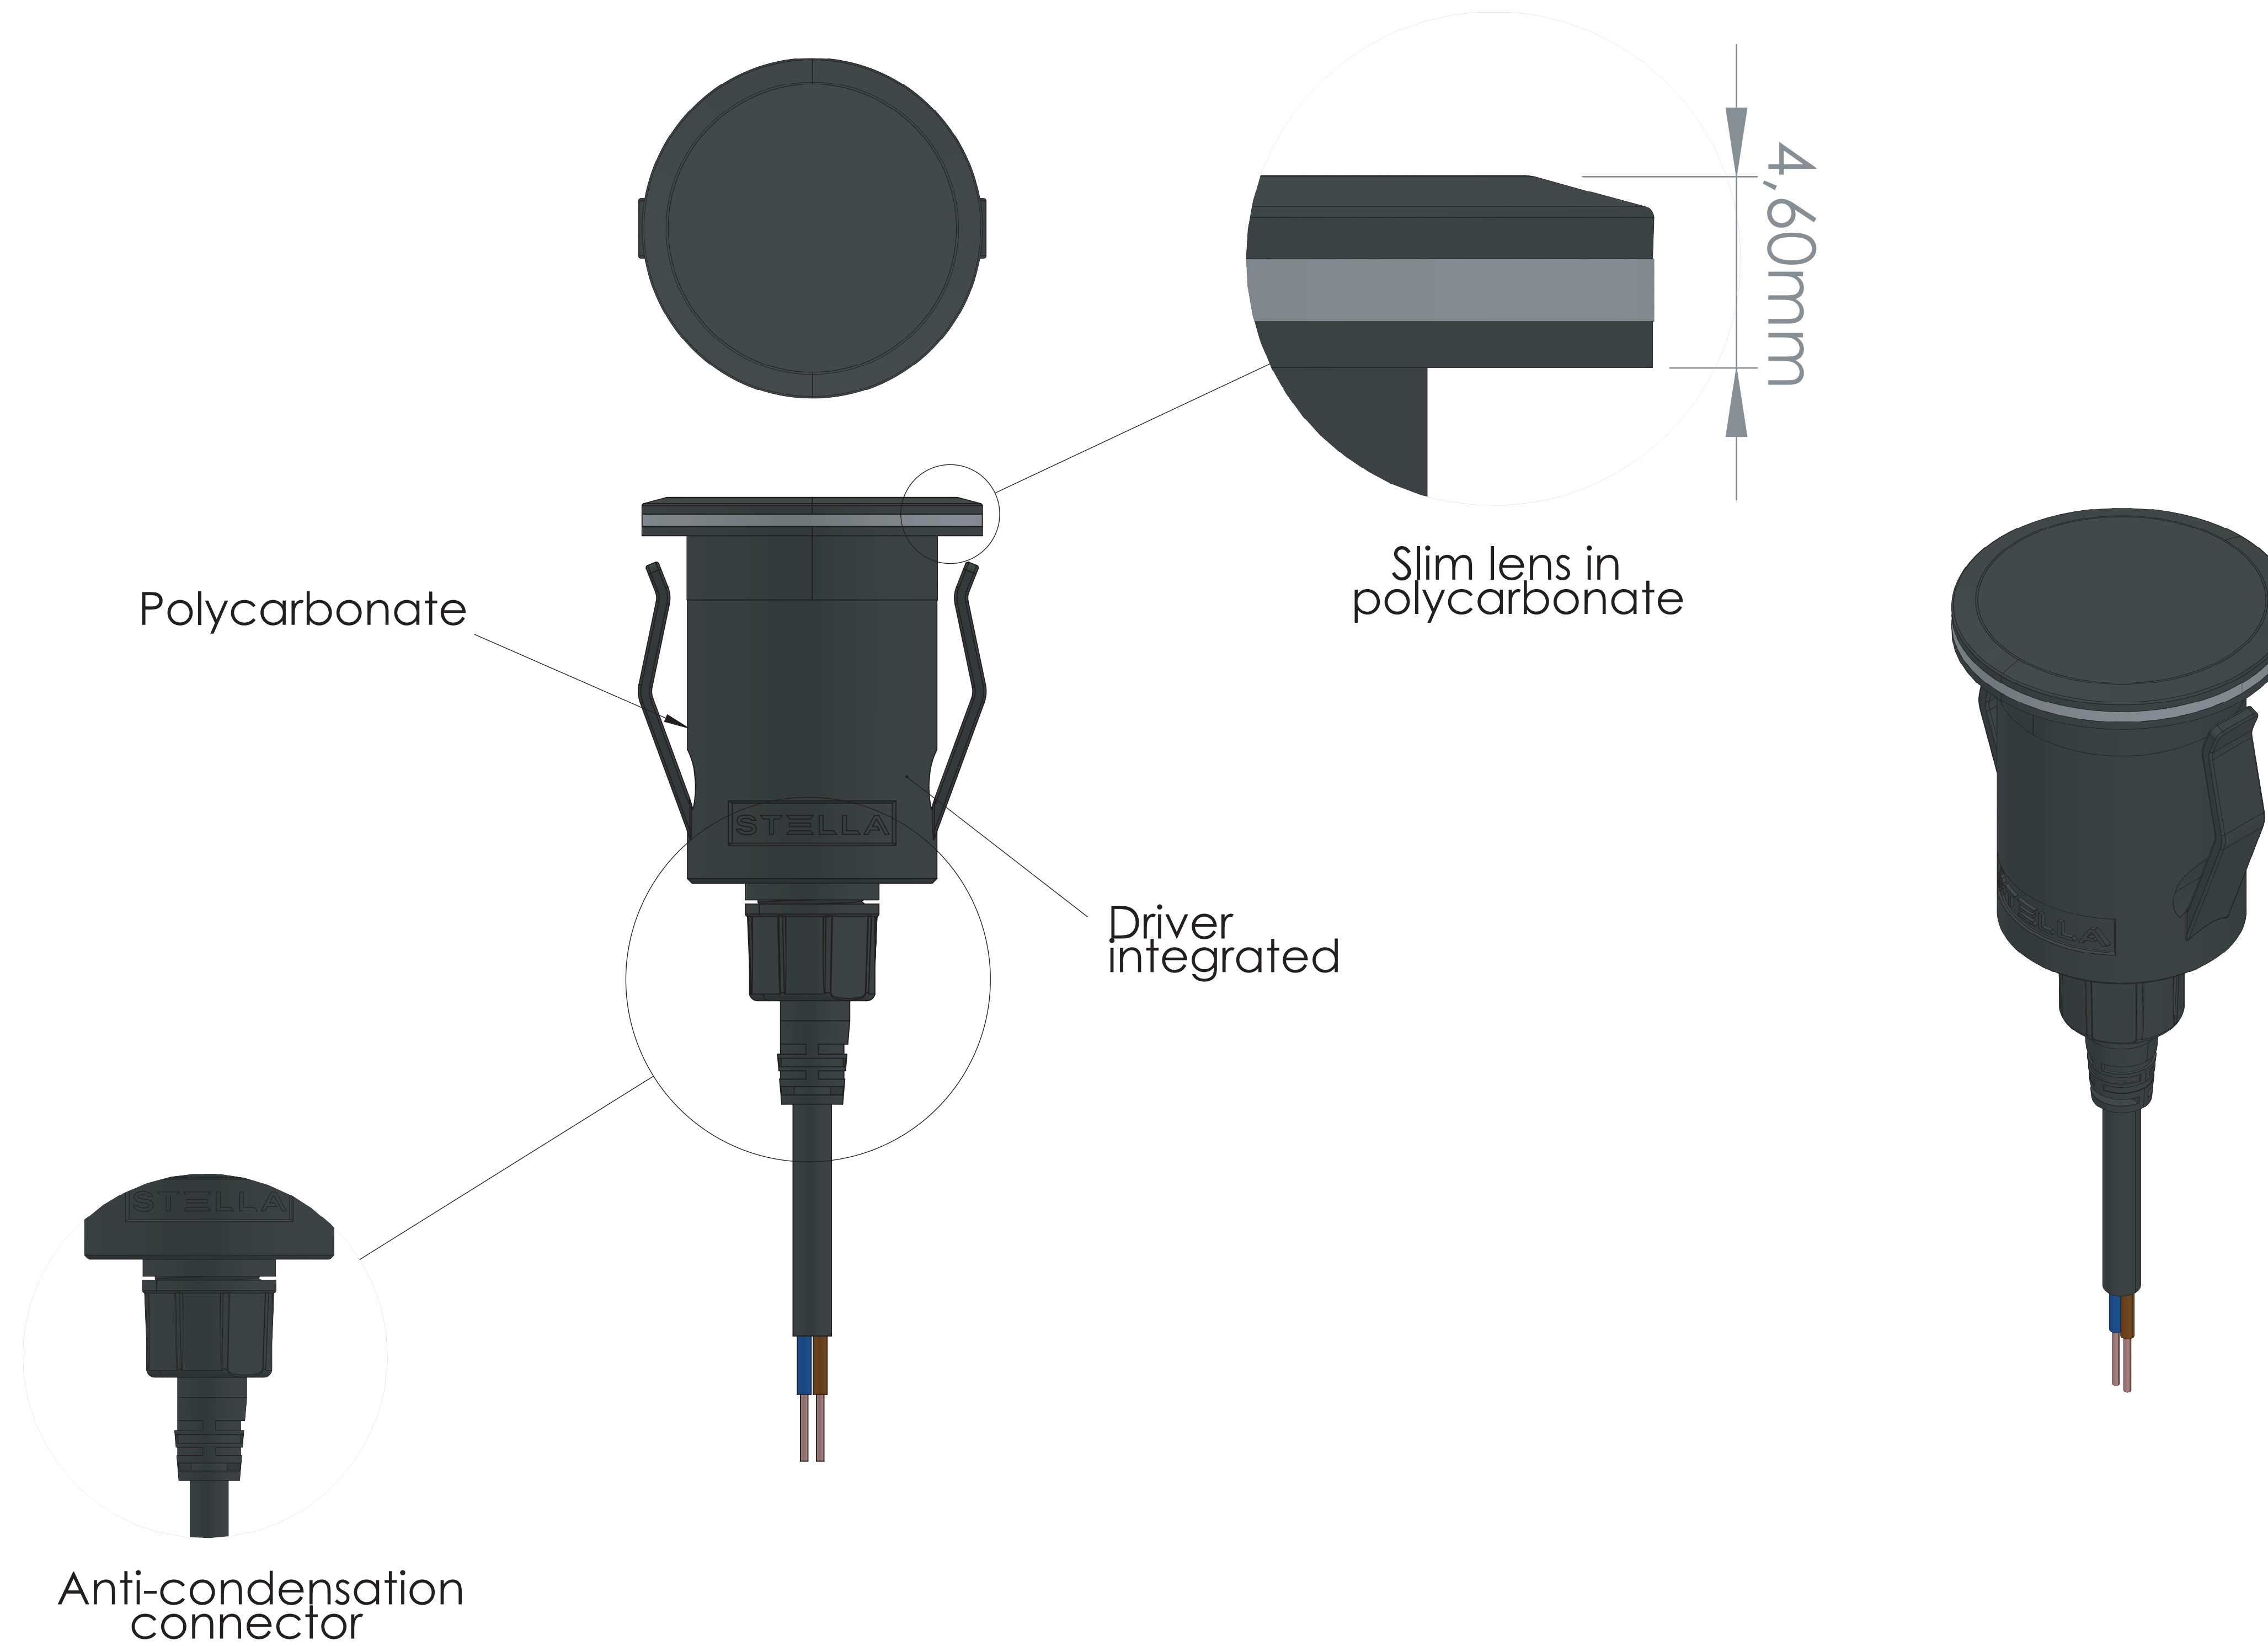

STL21715/30 - BIVOLT	3000K	6lm
----------------------	-------	-----

CRI	>80
IP protection index	IP67
Power factor	>0,5
Life time (L70)	25.000h
Main material	Polycarbonate

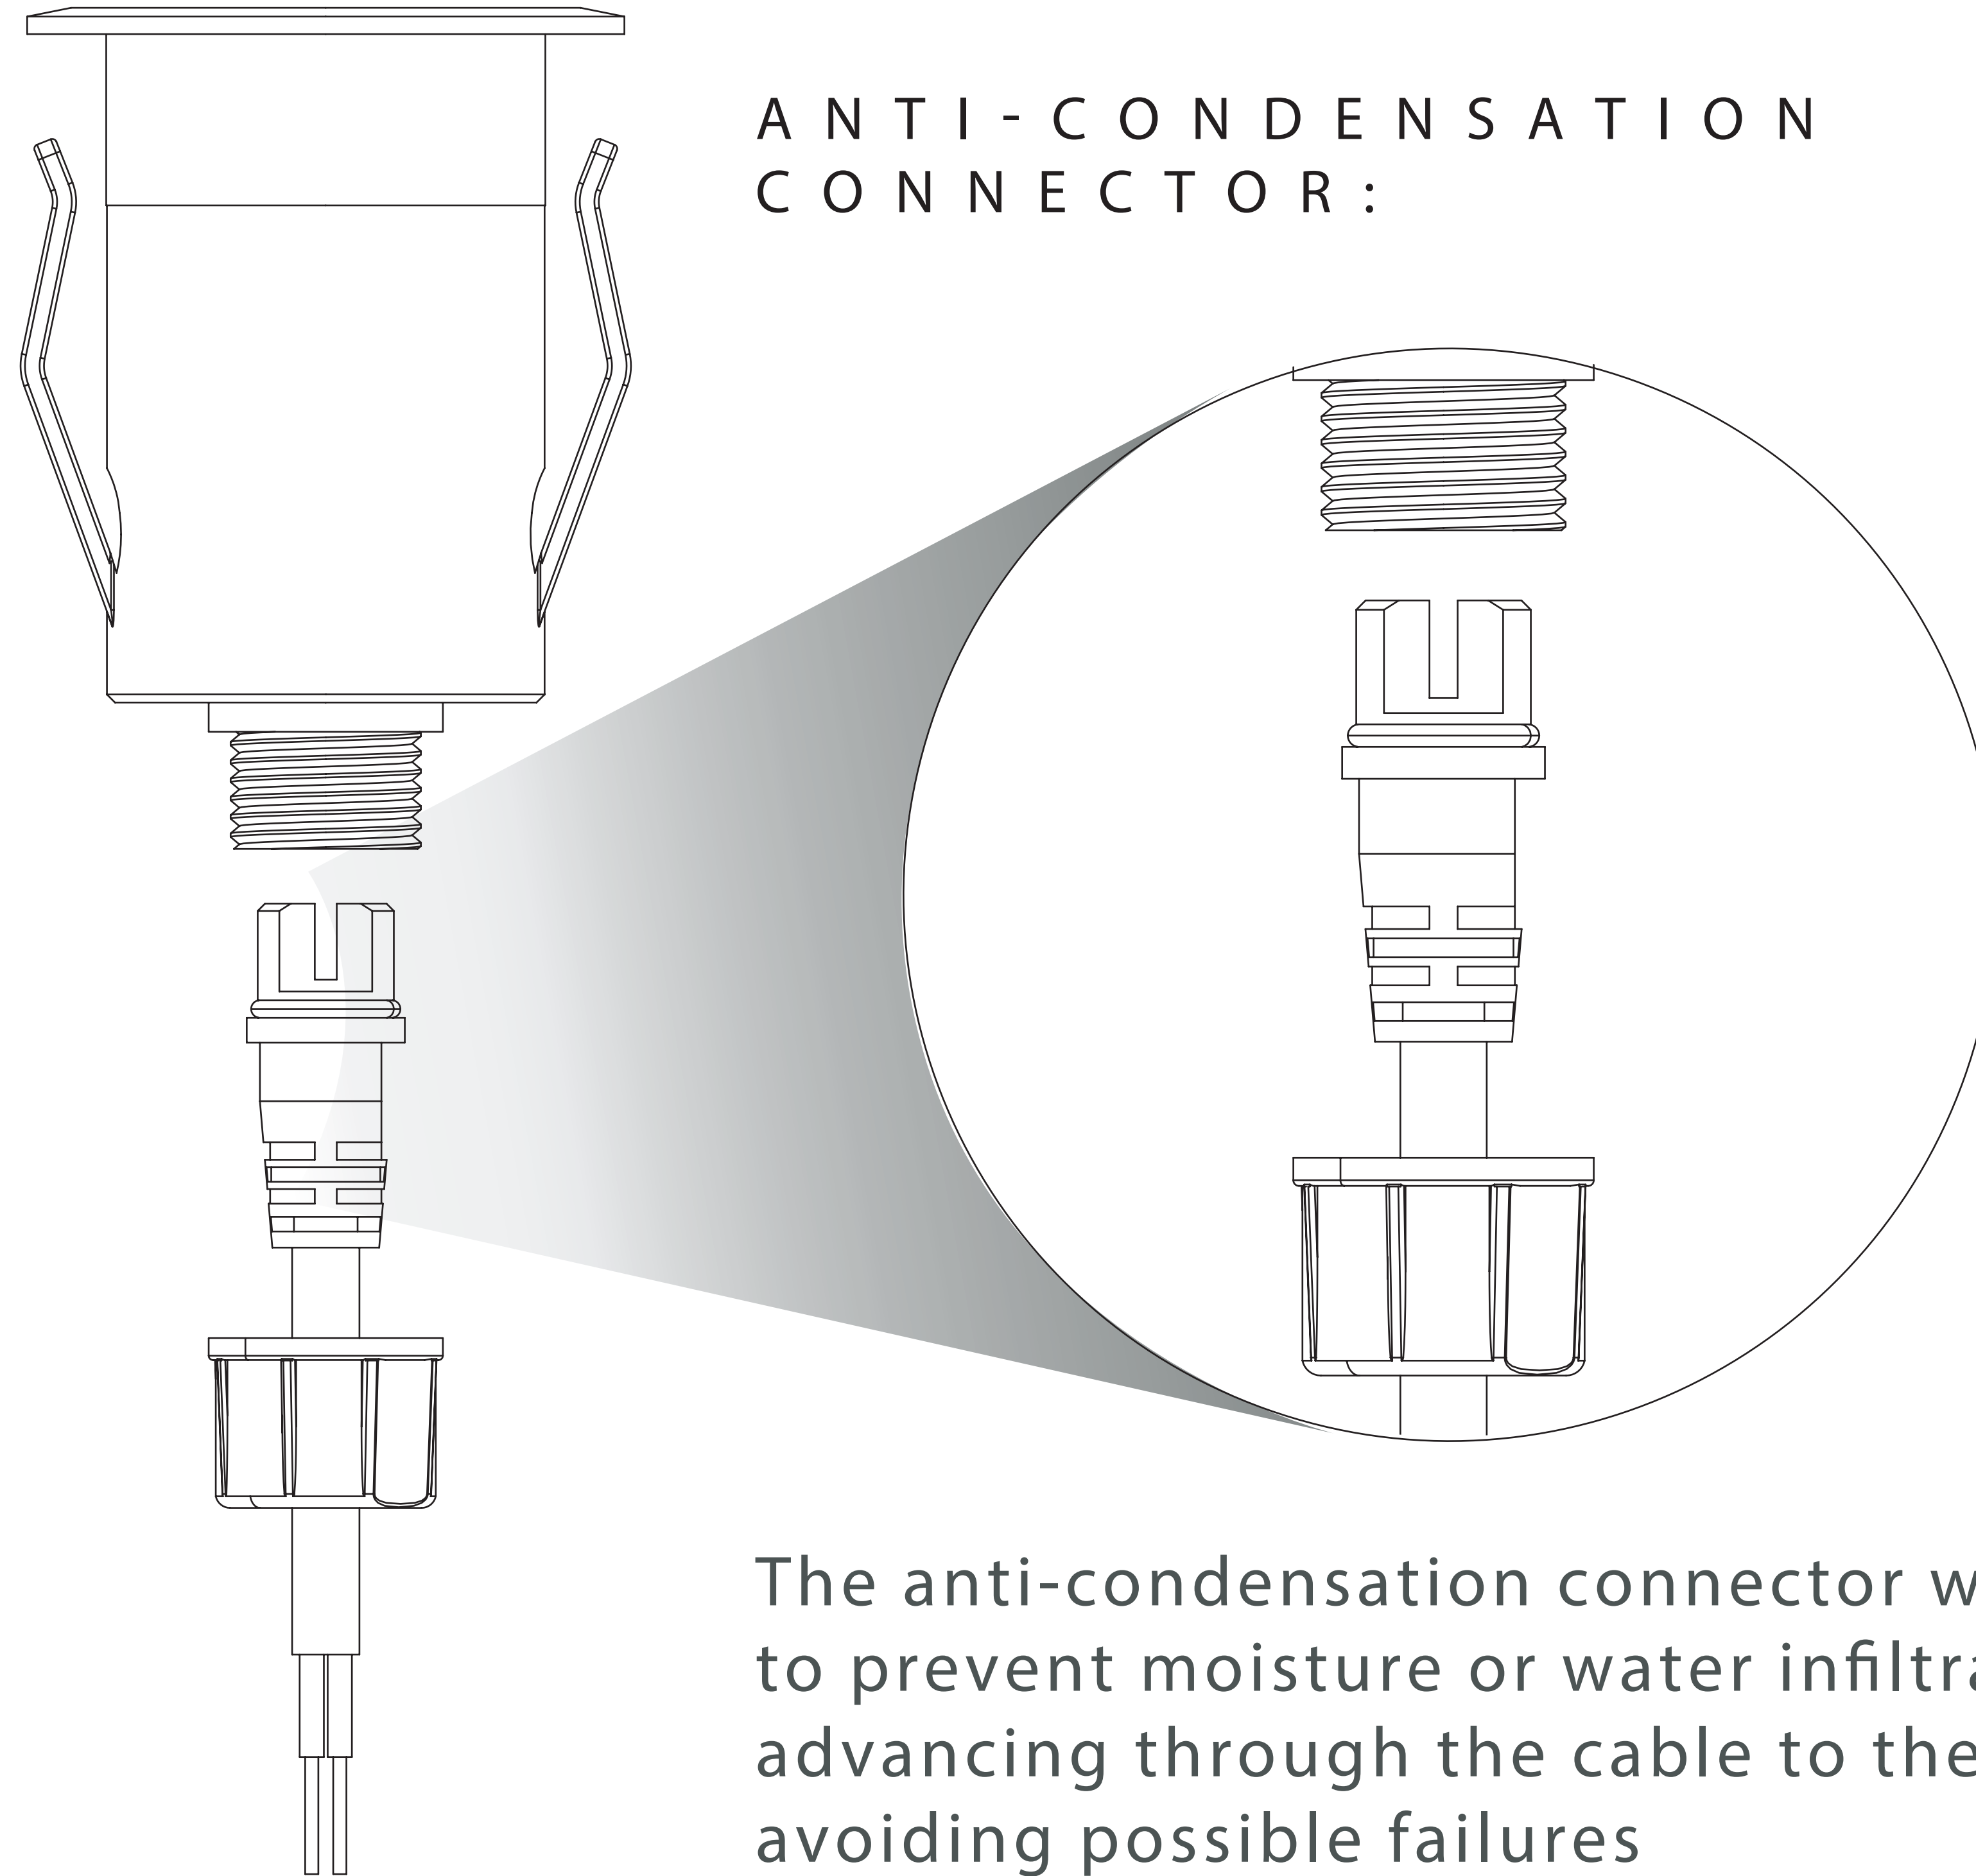

Integrated driver.

Technical details

ANTI-CONDENSATION
CONNECTOR:

The anti-condensation connector was developed to prevent moisture or water infiltration from advancing through the cable to the product, avoiding possible failures
