Expo M12

La Expo M12 rappresenta la sintesi della vision del brand. Oggetto fortemente identitario segue il concept estetico della collezione Quadro Vino, facendo propria una tecnologia del freddo professionale. È in assoluto la vetrina per vino meno profonda al mondo. Le temperature differenziate consentono di conservare contemporaneamente sia vini bianchi che vini rossi.

Expo M12 represents a synthesis of the brand's vision. As a highly identitary object, it follows Quadro Vino's aesthetic concept, taking up technology from professional refrigeration. It is the world's slimmest wine cabinet. Differentiated temperatures allow for conservation of white and red wines at the same time.
