

GAO JIE

Bamboo has the meaning of elegant and indomitable,
symbolizing the noble character and integrity of a gentleman.

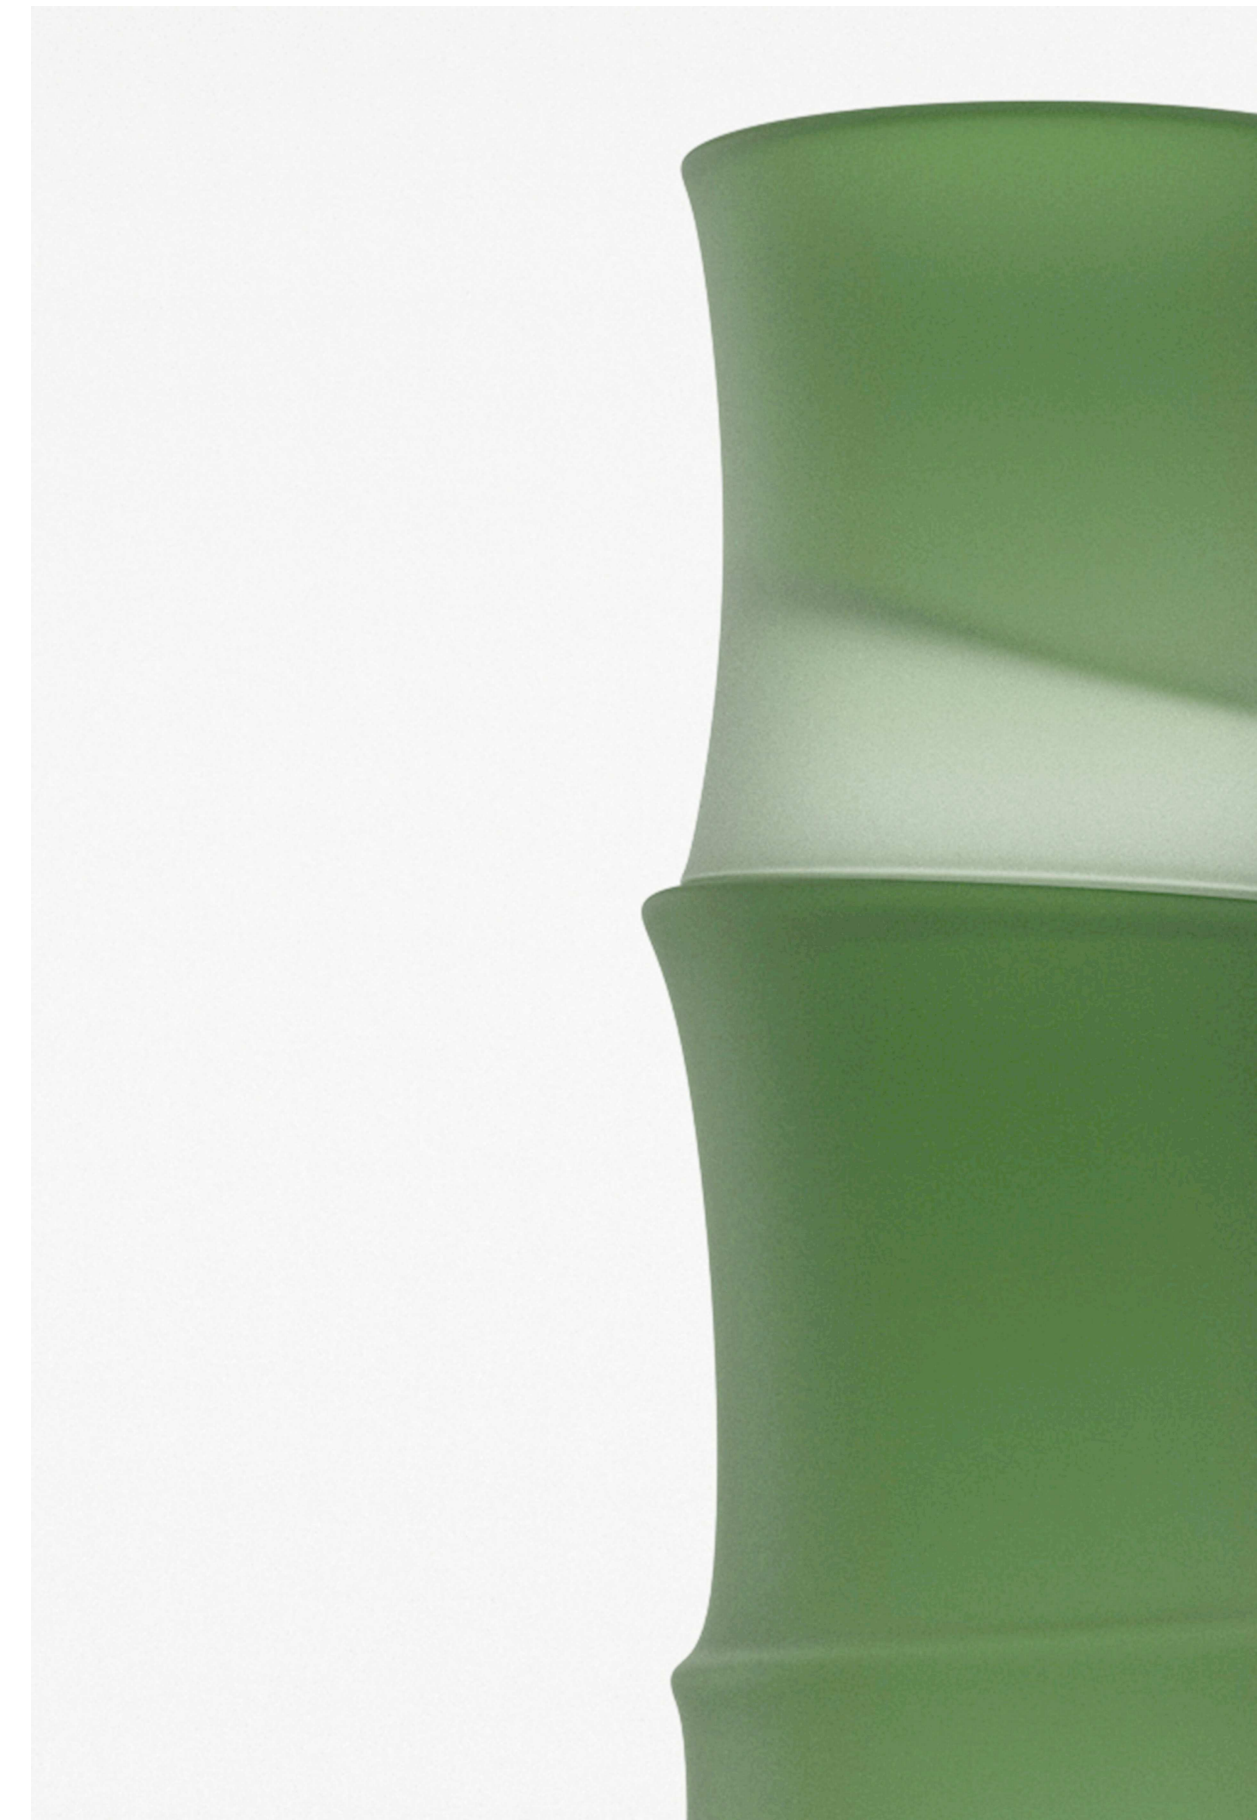

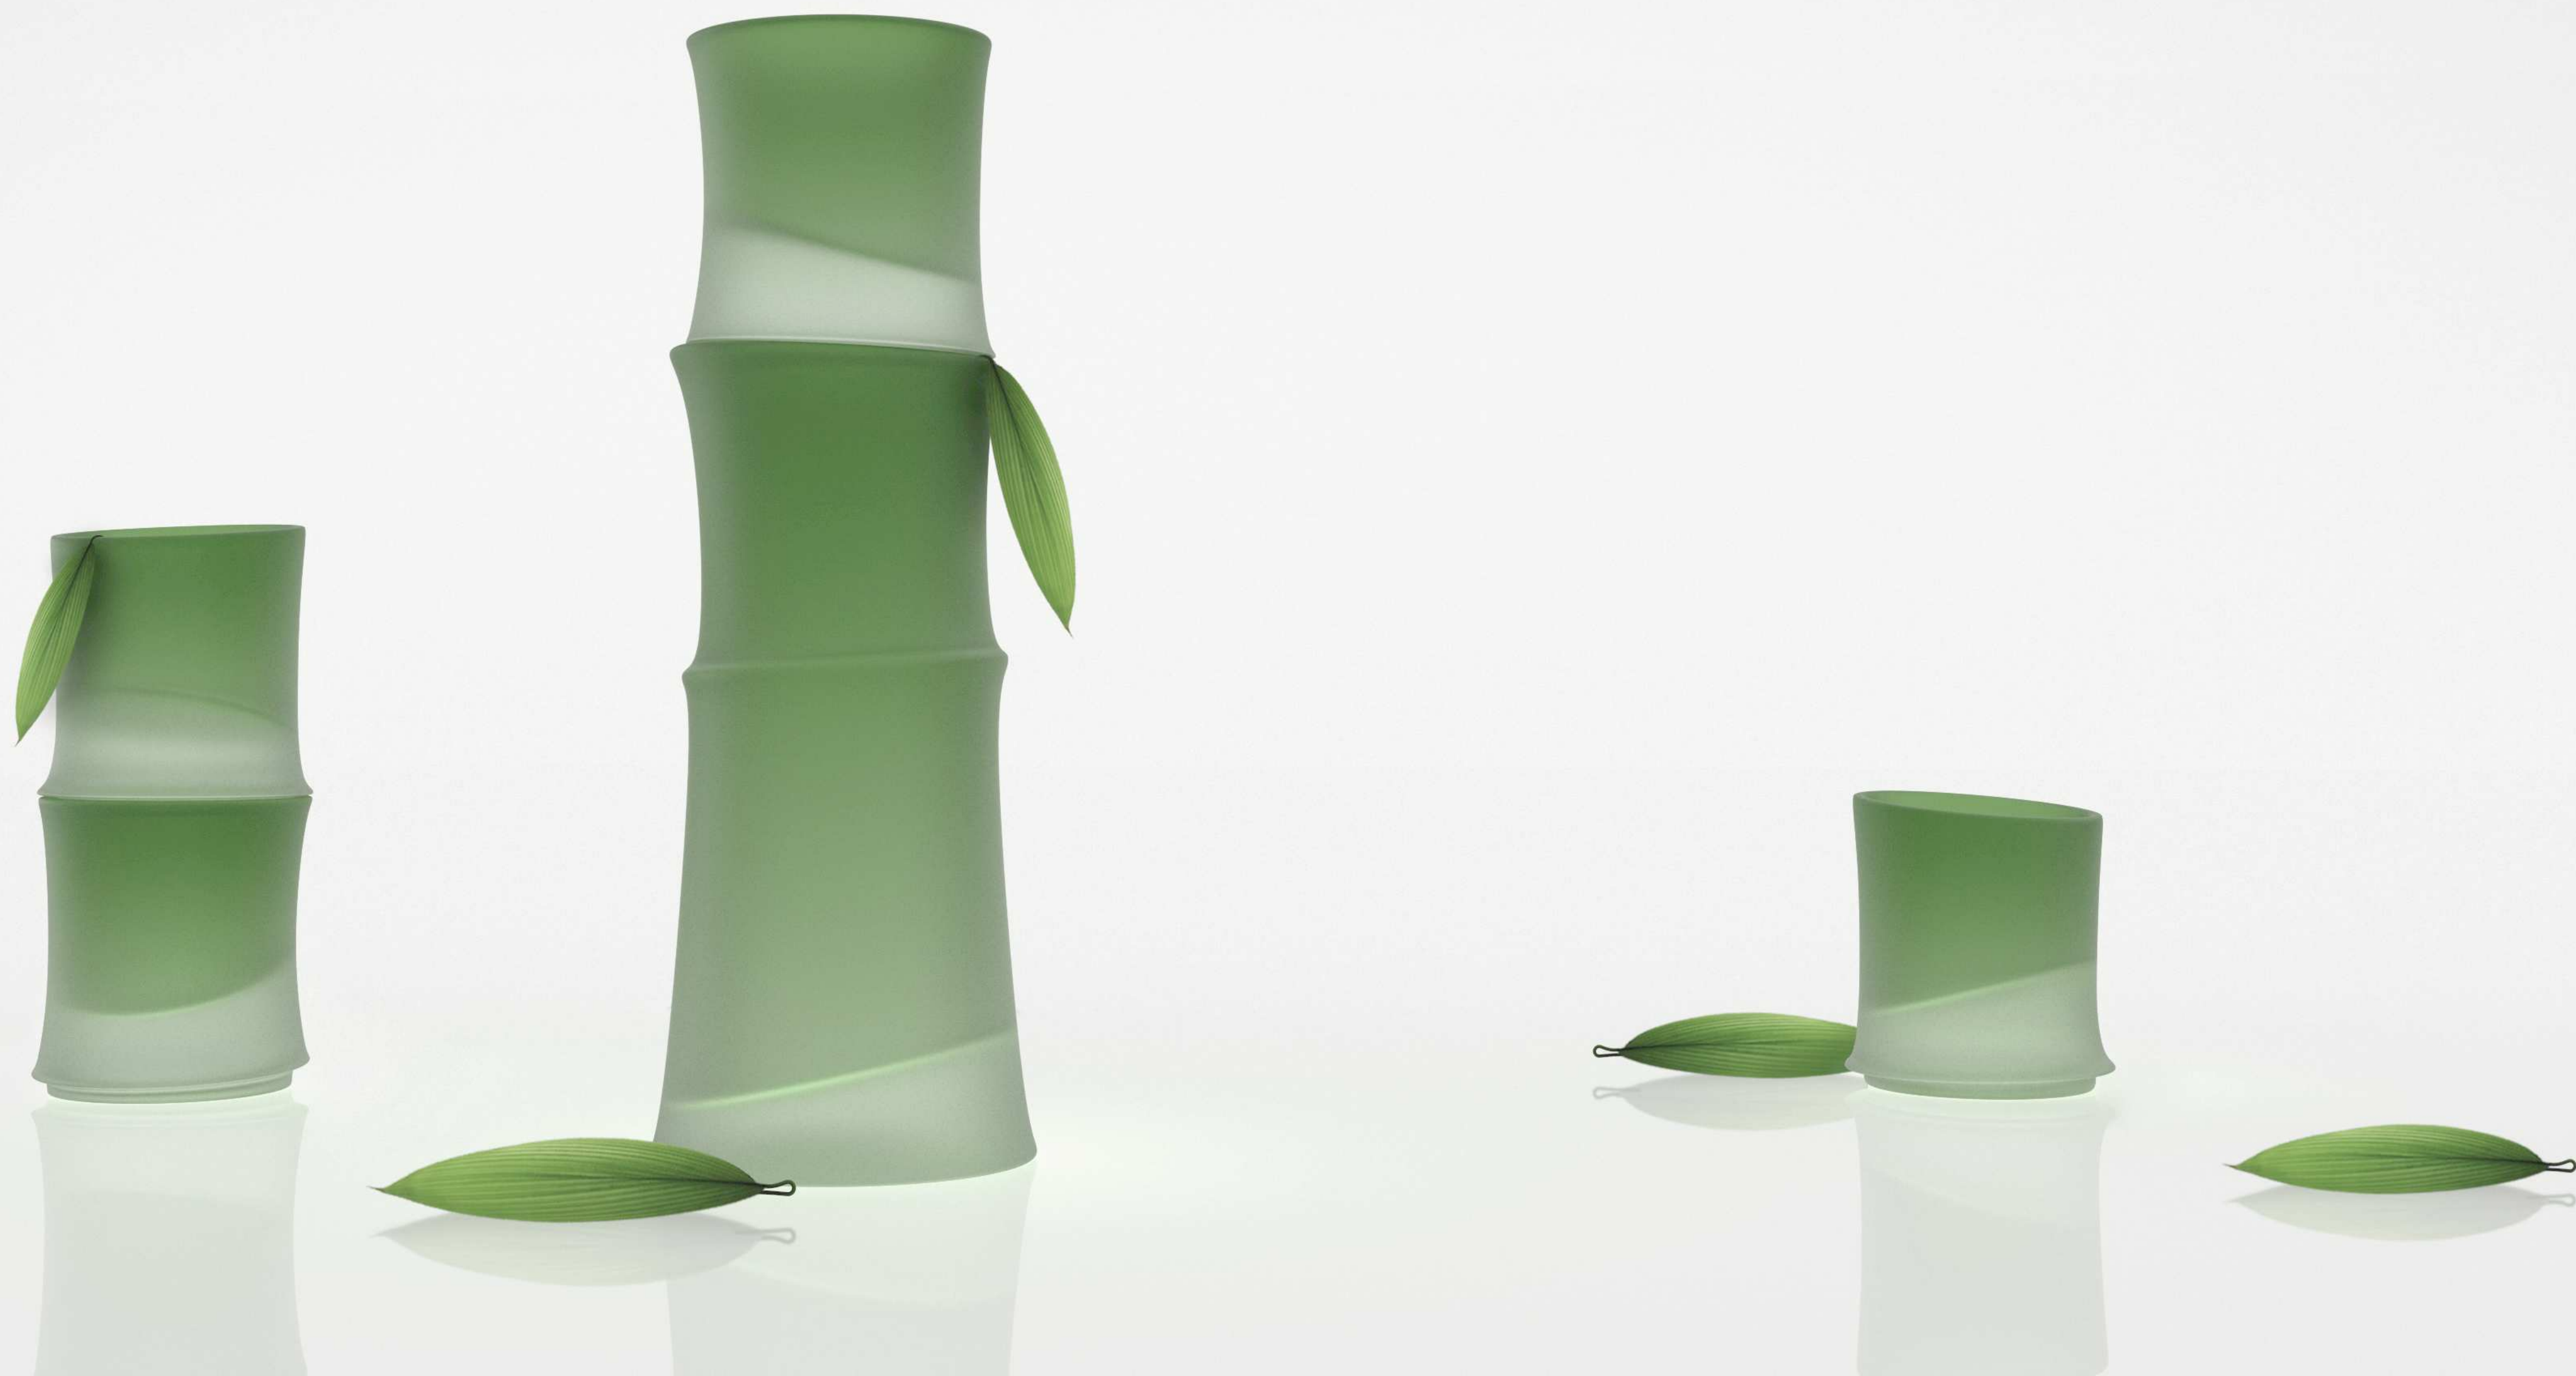

In China, Bamboo has the meaning of elegant and indomitable, symbolizing the noble character and integrity of a gentleman. Therefore, we developed this bamboo themed multi-functional glass wine vessel with Oriental hazy beauty, which can be used as wine set, incense expander and decoration. Giving as a gift represents blessing, and it also calls on people to keep straight up and get higher and higher.

This product is made of translucent glass, which has more quality and tactility, while expressing the hazy beauty of the East. Multiple groups combination to form a landscape like bamboo forest. It brings elegant feeling as a wine set, towering as a decoration, as a gift, represents blessing and appreciation, and also calls on people to keep straight up and get higher and higher.

Gao Jie is a multi-functional glass wine set in the form of bamboo, which can be used as wine set, incense expander and decoration. When you don't use it, just take away the bamboo leaves on the table, the essential oil dripping with the fragrance of bamboo leaves can be used as an incense expander. The bamboo leaves are soft leather, and the leather bamboo hook is made of 925 silver. It can be combined into a complete bamboo form, so that is convenient to carry.

As a gift, it represents blessing and appreciation, and also calls on people to keep straight up and get higher and higher. Also as a representative Chinese gift, it is loved by the public.
