

## Foldable magnetic doorguard

Hyundai's Foldable magnetic doorguard can provide better experience than other products about protecting a car from door poke.

## Easy to carry and use

This product is foldable so it's spatial efficient to store and use.

One set(pair) is 575g  
and each size is 290 x 90 x 32T when it's folded.

Users can carry in a tyvek bag and store it in the  
glove box, console box trunk, door side pocket  
and so on.

With 16 magnets in it,  
users can attach/detach easily and smoothly.

The size is 1160 x 90mm,  
so it can cover parts of the car exterior, including a door.

## Reflecting light at night

Two reflecting edge line are printed on the surface, so it's more visible and safer in the dark.

## Waterproof and sustainable

The blue fabric is upcycled material which is from plastic waste. It's tightly woven to prevent from getting wet, so it's perfect to use both indoor and outdoor.
