

## SUNSET LOUNGER / SOFA

Small outdoor spaces require smart, innovative and functional pieces of furniture. This is exactly what the Sunset collection stands for. The lounge sofa works double duty, with folding backrests that lets you go from sofa seating to a classic sunlounger in just seconds. Ideal for relaxing or enjoying outdoor quality time with friends and family.

Attached underneath the frame is a nicely crafted bag that you can easily transform into a full nylon rain cover. No need to take the cushions indoor when it rains, simply open up the bag and cover the lounger!
