AN ARCH OF LIGHT ON THE HORIZON LIBRA AURORA 6634

Taking its name from Greek and Roman mythology, Aurora announces the coming of the sun or the dawn of a new day, as color and light begin to illuminate the night sky.

Like a wave of light opening its arch on the horizon, Aurora's shape opens outward as its back rises.

Keeping with the balanced theme of the Libra collection, the perfectly symmetrical design includes a strong upper lip that creates a halo like feel and frames the top with a strong and elegant accent.

While you may live in a metropolitan city, you can still enjoy the colors of the Aurora Borealis (Northern Lights) with BainUltra's lluzio chromatherapy in the bath and feel the light dancing through the water as you enjoy your Hydro-Thermo Massage®.
