

The word "Hypex" is rendered in a white, modern sans-serif typeface. The letter 'H' is tall and narrow, while the 'y' has a long, sweeping descender. The 'p' is rounded, and the 'e' is composed of three horizontal bars. The 'x' is formed by two intersecting diagonal strokes. Four small white triangles are positioned at the corners of the text, pointing towards the center: top-left, top-right, bottom-left, and bottom-right.

Hypex

Hypebeast Water Shoe

HYPEX, gorecore fashion creek shoe blending outdoor functionality with hypebeast style, ideal for urban river tracing enthusiasts seeking speed-dry materials, comfortable fitting, superior grip, and a sleek aesthetic.

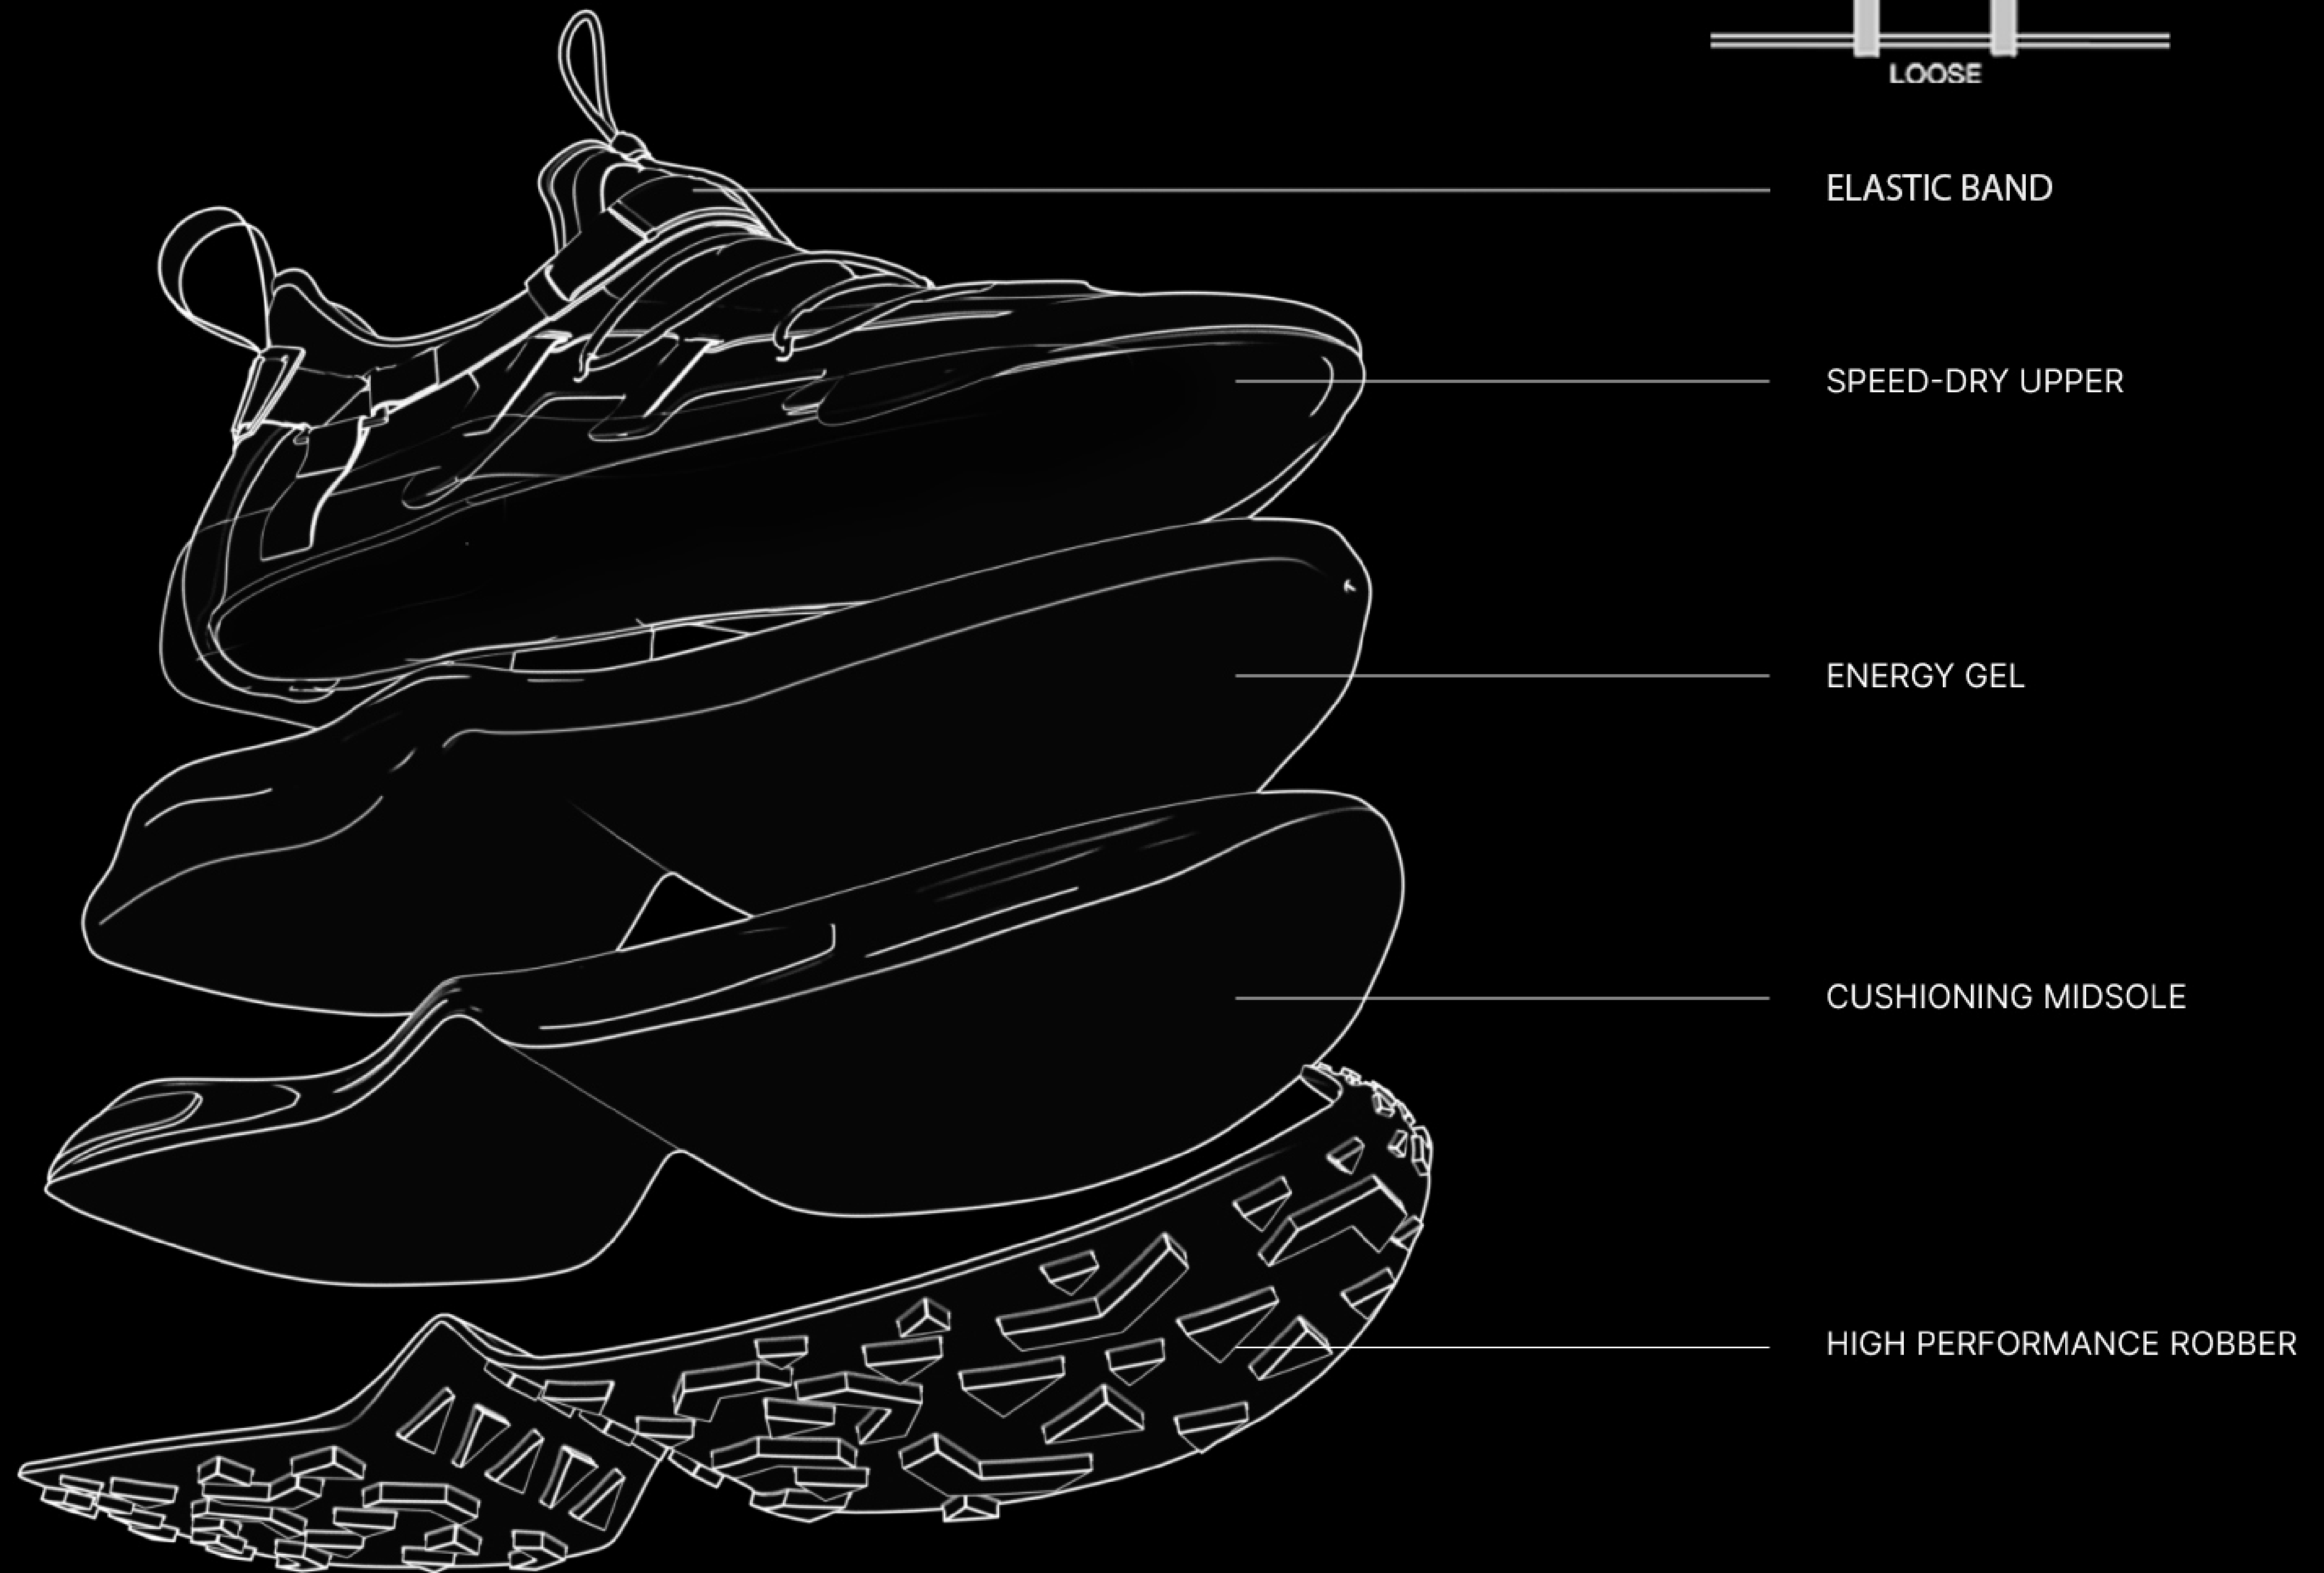

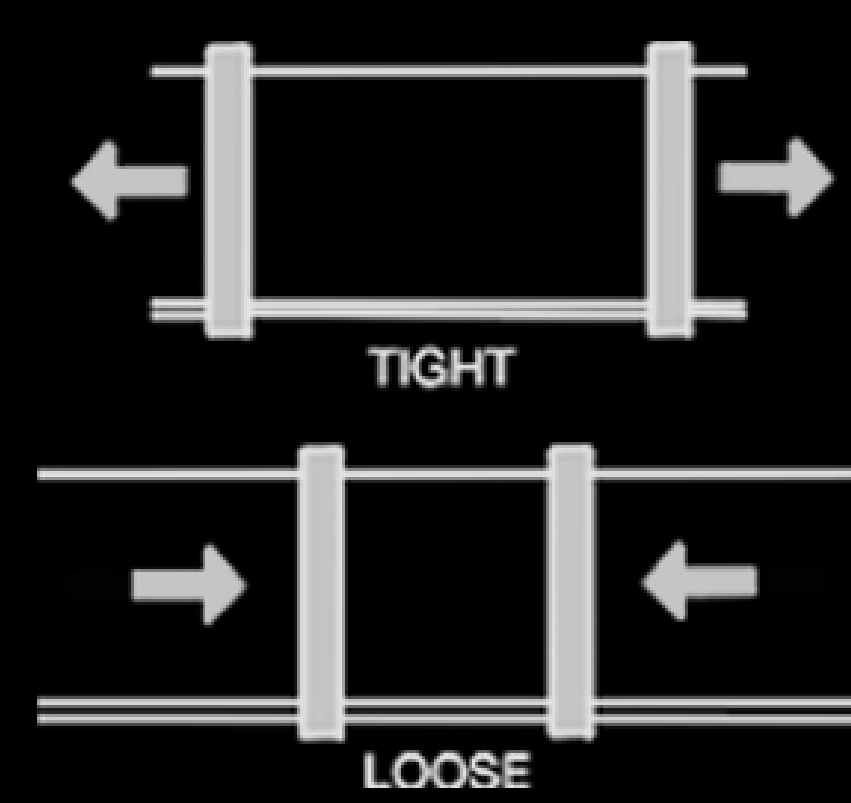

## Design Inspiration

This creek shoe design innovatively utilizes safety belt-inspired elements for secure foot lockdown and incorporates visual language of bubble for maximum comfort and support.
