

OUTSTANDING CONTRIBUTION TO THE SOCIO- ECONOMIC DEVELOPMENT OF HEILONGJIANG PROVINCE MEDAL DESIGN

Showing the robust modern economic industries and spectacular views of the Heilongjiang Province

DESIGN INSPIRATION – THE ECONOMIC LOG OF THE HEILONGJIANG PROVINCE

The medal design revolves around modern scientific and technological industries and iconic landmarks of the Heilongjiang Province, complemented by lilacs and colored ribbons on both sides and rice fields in the distance, showing the robust modern economic industries and spectacular views of the Heilongjiang Province.

A SENSE OF DISTINCT CULTURE

The medal design is simple and elegant. Featuring a novel hollow shape, it skillfully integrates the lilacs on both sides, colored ribbons, rice fields in the distance, and other elements to show respect for the distinctive culture of the Heilongjiang Province, demonstrate the unique culture and economic power, and pay homage to the local culture and tradition.

A SOLEMN SENSE OF RITUAL

The medal has undergone a gilding process for durability and prolonged preservation. The ribbons take a gold and green color palette, representing honor and achievement. These elements convey the profound connotations of receiving the honor of Outstanding Contribution to the Socio-Economic Development of Heilongjiang Province.

WITH ARTISTIC APPEAL AND PRACTICALITY

The base of the medal is faceted and richly detailed.
It is slim, easier to hold, simple, attractive, and precious.

A HIGH-QUALITY VISUAL EFFECT

The case of the medal is made of eco-friendly solid wood lacquer and colored copper and has a fold-out design that is both environmentally friendly and visually appealing.
