01 / BRAND STORY

Who is LEEN LONG?

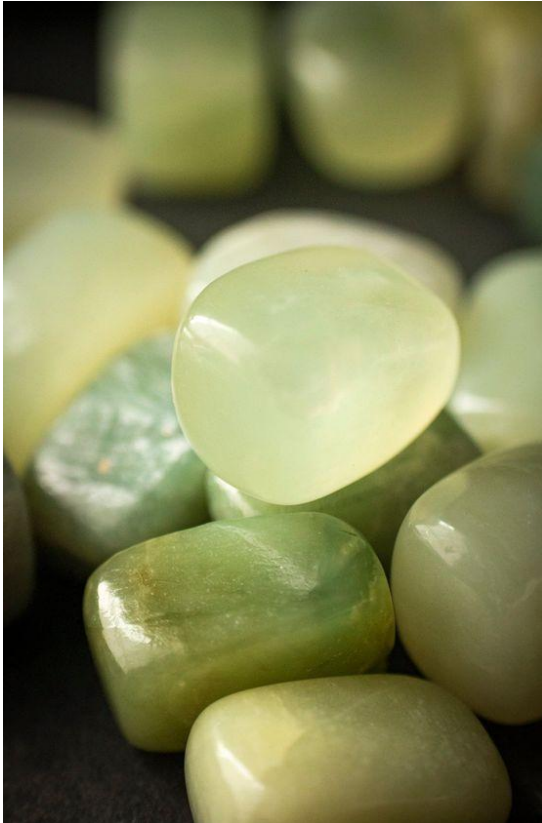

A close-up photograph of a woman's face, focusing on her mouth and chin. She is holding a small, green, rounded jar of Leen Long skincare product. The jar has a silver-colored cap with two small, round, silver-colored knobs. The brand name 'LEEN LONG' is printed in green on the jar. The woman is wearing a light green, textured garment. The background is a soft, out-of-focus green.

LEEN LONG

Leen Long is originated from the sound and dynamic of jades clinking, symbolizing the eastern elegant charm. The brand focuses on the precise anti-ageing for eastern females, awakening the extreme pleasure during skincare with the balance between efficacy, sensuality and safety.
