DREAM CORE

MOOD BOARD

GENERATION Z WAS BORN INTO AN ERA WHERE THE INTERNET, COMPUTERS, ELECTRONIC GAMES, AND MORE ALREADY EXISTED, AND WE HAVE GROWN UP ALONGSIDE THEIR DEVELOPMENT. OLD COMPUTER SCREENS AND POP-UPS ARE AS MUCH A PART OF OUR MEMORIES AS CHILDREN'S PLAY SLIDES. THIS MEMORY IS DECONSTRUCTED AND REORGANIZED TO BECOME THE DREAM CORE OF GEN-Z, CONSTRUCTING THE CONNECTION BETWEEN VIRTUAL AND REALITY.

DREAMCORE IS A SURREALIST AESTHETIC THAT EMPLOYS MOTIFS TYPICALLY LINKED TO DREAMS, DAYDREAMS, OR NIGHTMARES, EXPRESSED THROUGH VARIOUS MEDIA LIKE IMAGES, VIDEOS, AND OCCASIONALLY MUSIC. ITS ESSENCE REVOLVES AROUND THREE KEY ELEMENTS: THE REORGANIZATION OF REALITY, THE INCLUSION OF ABSURD ELEMENTS, AND THE DIGITAL REBELLISM.

KEY ELEMENT: ERROR

Errors, as a significant element in dream core, not only happened as pop up windows in old computers. It also means a reorganization of reality and dream. This collection I use a lot of deconstructed details on jackets and tops.
