

BENCH MANGA

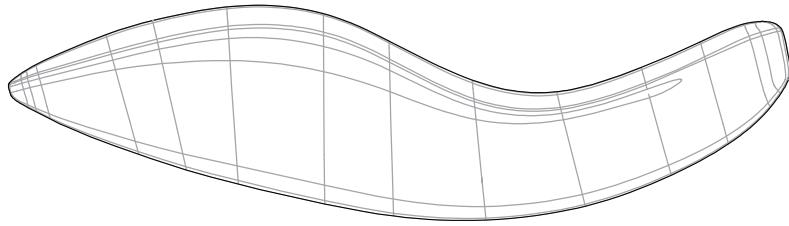

BENCH MANGA

A piece of urban furniture inspired by marine life, capable of awakening emotions in urban and natural environments. When the bench is not occupied, its soft undulating shapes make it a sculptural element.

A bench of elegant simplicity. Organic shapes that not only fulfils the function of a seat but also provides an aesthetic value when it is placed in the urban space: seafronts, ports, parks, squares, streets and boulevards.

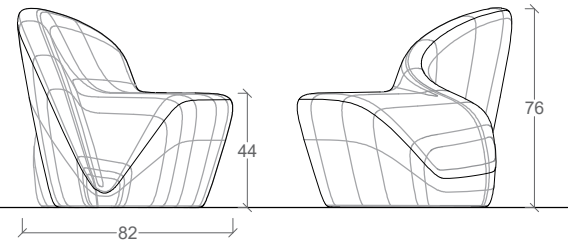

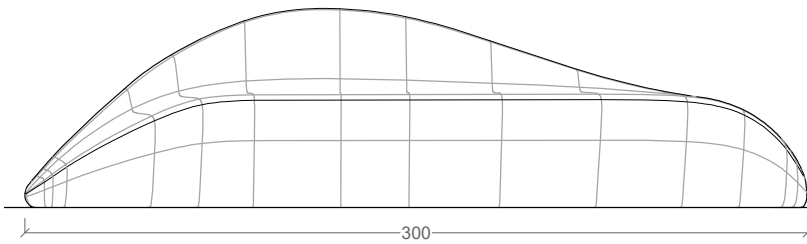

Technical Specifications

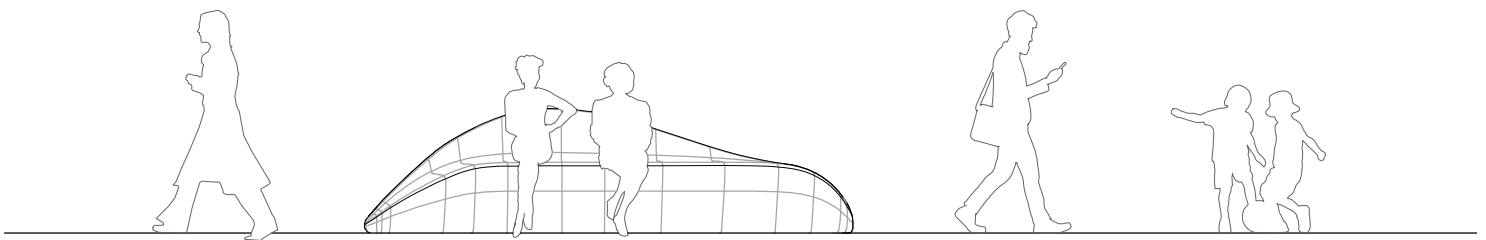

The purity of the lines and the roundness between planes of the Manga Bench, reinforces the brightness and textures typical of fiberglass and concrete.

Minimalist design, comfortable ergonomic profile and soft undulations invite contemplation and serenity.

The slight tilt of the seat and backrest allows many postures on this wide bench.

Measurements in centimetres (cm)

Available materials and finishes

A. Painted fiberglass

Painted fiberglass with a thickness between 8 and 14 mm.

☐ Gloss White*

☒ Any Colour

*Gelcoat finish
