

LOTUS TABLE SET

With a unique lotus-leaf appearance and a modular design, LOTUS TABLE SET allows flexible assembly and disassembly, creating a fresh biophilic home atmosphere.

Art Glass with Traditional Chinese Poetry

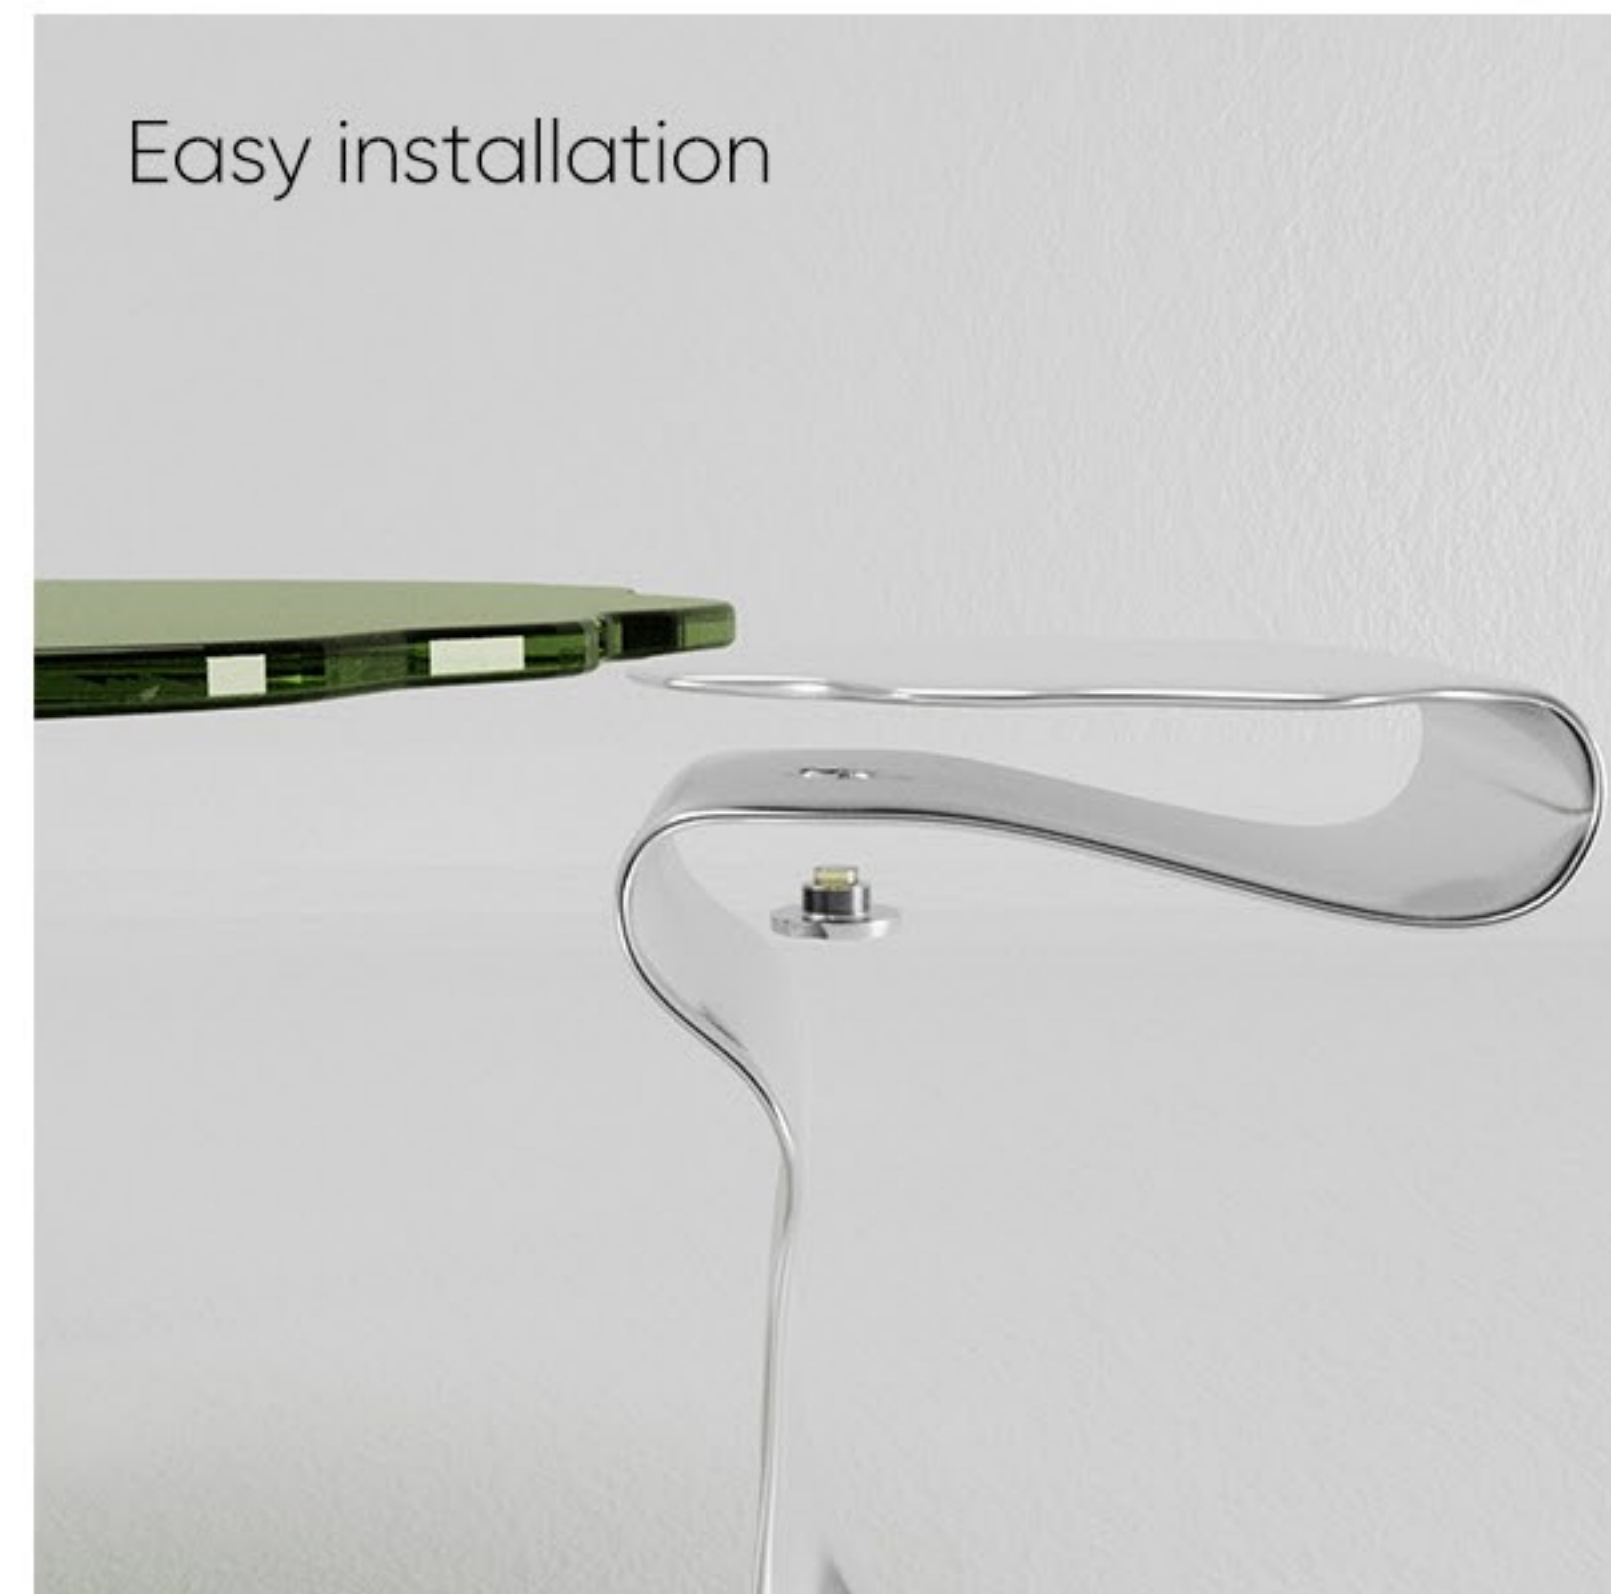

Drawing inspiration from the landscape of Green lotus leaves outspread as far as boundless sky depicted in an ancient Chinese poem *The Lakeside Temple at Dawn* written by Yang Wanli, LOTUS TABLE SET adopts a translucent glass tabletop and metal table legs to craft an elegant lotus-leaf silhouetted body full of oriental charm and modern aesthetic.

Biophilic Home Aesthetic

The lotus leaf root-like metal table legs and a glass tabletop form a biophilic appearance akin to a lotus leaf, presenting a fresh visual aesthetic, setting a relaxing vibe, and immersing users in enjoying tea.

Detachable Table Legs, Interpreting Sustainable Concept

Detachable stainless steel legs make this product easy to store, transport, and maintain, extending its lifecycle and contributing to sustainable development.

Personalized Home Decoration

Thanks to its modular design, this product enables flexible assembly.

Users can use one singular module or a whole set to build exclusive leisure spaces indoors or outdoors.
