

Look.2 sequin bodysuit with draped cape sleeve, shaped exaggerated shoulder pads, hook and eye closure at center back with lapel design. Built in silk scarf. Flocking materiality applied.

Look.6 This monochromatic burgundy look consists of: a sculptural overcoat in crimson leather restricts one to a specific movement with a special armhole position and shape. The Pants-skirt consists of the top half of the pants and the bottom half of the skirt hybridized to form a three-dimensional conch shape that wraps around the body. Made from a composite of plantain bark fabric and silk chiffon. Silk chiffon inserted in leather seams, with distressed effect.
