

Cloud Schoolbag ProMax:

8-Dimensional Ergonomic Decompression & Anti-Sag System Features multiple patented technologies for ultimate load reduction.

Adaptive "Close-Fit" Shoulder Buckles:

Ensures a close fit to the upper back.

U-Shaped Progressive Straps(Patent)

Wing-Shaped Zoned Support System(Patent)

Vertically Adjustable Sternum Strap:

For customized stability.

Anti-Slip Buckles:

Prevents strap slippage.

Original Rainbow Webbing:

Visual guides for precise adjustment.

Detachable Mountaineering Waist Belt:

Offloads weight to the hips.

Diagonal Suspension Bottom(Patent)

I. Zoned Support:

KALA • Y

Wing-Shaped Zoned Support System: dynamic fit, load distribution.

1+2 Wing-Shaped Scapula Support:

Maximizes contact area to disperse shoulder pressure effectively.

3Y-Shaped Airflow Channel:

A 3D ventilation system designed to prevent stuffiness and sweat buildup.

4Ω-Shaped Lumbar Support:

Contours perfectly to the lower back curve for superior relief.

5 Detachable Mountaineering Waist Belt:

Protects the lumbar spine while significantly reducing the carrying effort.

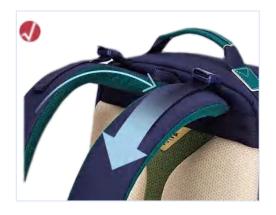

II. Enhanced Fit:

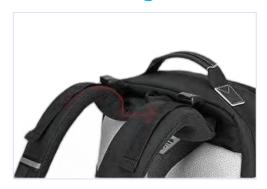

Adaptive "Close-Fit" Shoulder Buckles:

Center of Gravity Adjustment Regulates the schoolbag's center of gravity to ensure a tight, ergonomic fit against the back.

User Guide: Correct usage instructions.

Common usage errors.

III. Vertical Lift:

Patented U-Shaped Progressive Straps: Dual-core "Soft & Hard" construction for a gap-free fit, providing reinforced support and reducing shoulder strain.

Durable Fabric:

Outer layer is abrasion-resistant and stain-proof.

Deep Support Core:

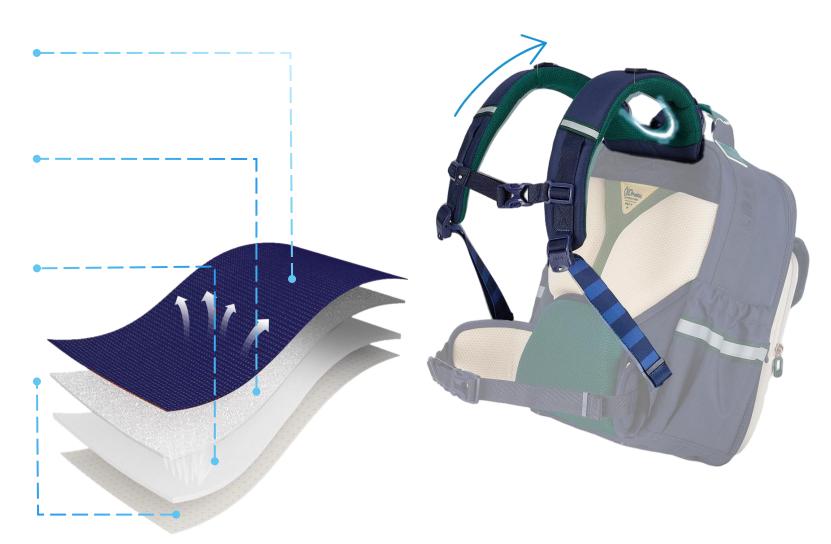

High-strength EPE (Expanded Polyethylene) provides structural depth and support.

Pressure-Relieving Layer:

High-density foam adapts to the shoulder shape for optimal cushioning.

Skin-Friendly Interface:

Wrapped in soft, breathable mesh for comfort against the skin.

IV. Balanced Load:

Left-Right balance system, multiple safeguards.

Vertically Adjustable Sternum Strap:

Fixes the schoolbag in place; vertically adjustable to suit children of different heights.

Anti-Slip Buckles:

The anti-slip buckle secures the strap length instantly, preventing sliding during movement.

Original Rainbow Webbing+Anti-Slip Buckles:

Visual color-coded markers ensure both straps are adjusted to the exact same length.

V. Stabilized Core:

Detachable Mountaineering Waist Belt:

Works in synergy with the sternum strap and shoulder straps, lock the schoolbag to the natural curve of the spine, eliminating swaying and backward sagging.

VI. Structural Support:

Diagonal Suspension Bottom Design:

Utilizes triangular mechanical principles to create an upward lifting force, ensuring the bottom remains firm and does not sag even when fully loaded.

VII. Dual-Action Antibacterial Lining:

Class a safety standard fabricfully compliant with the "General Safety Requirements for Student Supplies".

Formaldehyde: Not Detected

Migratable Heavy Metals: Not Detected

VIII. 11-Point Safety Inspection: Health & Protection:

Diagonal Suspension Bottom Design:

99% antibacterial rate effectively inhibits the growth of staphylococcus aureus and escherichia coli (E. coli).

IX. Premium Water-Repellent Fabric:

High-Density Weave: durable, stain-resistant & easy to clean.

Fabric:

Tested to meet grade 4 water repellency standards.

Upgraded Waterproof Zippers:

Lab-tested to ensure excellent resistance to wetting, effectively blocks rainwater infiltration for peace of mind.

Custom Microfiber Leather:

- Abrasion Resistance: Passed 51,200 cycles of wear testing with a mass loss of less than 0.08mg.
- Flex Resistance: Passed 30,000 cycles of folding/flexing with zero damage or delamination.
- Hydrolysis Resistance: Withstood 70°C at 95% Relative Humidity (RH) for 336 hours with no surface abnormalities.

X. Patented One-Piece Structure:

Internal Book Strap:

Secures textbooks internally to reduce movement and prevent center-of-gravity shifts (Anti-Sag).

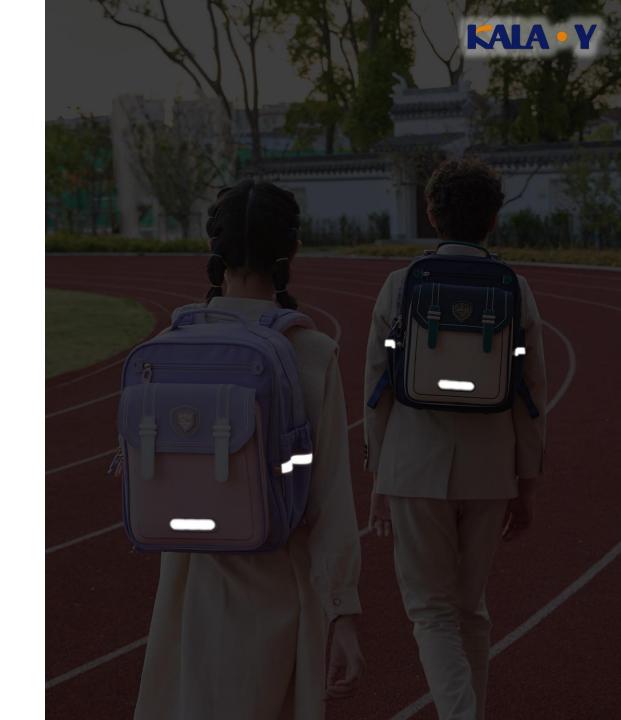

Clean & Dry & Store with easy.

XI. 360° Reflective Safety System:

High-visibility reflective strips ensure safety during night travel.

XII. Craftsmanship & Exquisite Details:

KALA • Y

High-Density Weave: Durable, Stain-Resistant & Easy to Clean.

Anti-Wear Bottom Studs:
Protects the bag base from dirt and abrasion.

Classical Poetry Lining:
A tribute to traditional Chinese culture.

Personalized Signature Tag: A unique, exclusive gift for child.

XIII. Product multi-view:
